Private and Confidential

31st July, 2025

Dear Paul,

Thank you for your thoughtful letter in which you shared how The King has inspired you.

His Majesty has worked for over fifty years to protect and restore Nature through many practical projects and is always delighted to hear from others who share in his passion. As Prince of Wales, he worked to highlight the need to conserve the environment for future generations, recognising that everyone has a role to play in preventing climate change and biodiversity loss. As King, His Majesty continues to support and celebrate global efforts towards a more sustainable future.

The King would have me convey his warmest good wishes to you, and to thank you once again for taking the time to write as you did.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J. Jansen'.
